# What our Trainees Say

## Austin Samuel

This is a good place for Oracle Fusion SCM classes. The faculty who handles the classes here are definitely industry experienced and were very responsive to our queries. A very good learning atmosphere is present and that helped me to manage my work and classes alongside.

## Neeraj Dounde

Course content and teaching methodology is great and covers all the current business practices. Krishna Sir is an experienced professional and explains every concept in detail. Access to course material and video lectures is given which is quite helpful. Overall excellent institute for Oracle Fusion SCM training.

## Harshal Shimpi

I attended this training for Oracle Fusion SCM modules. Trainer is very good and helps you to clarify all your doubts. Also shared real time examples while teaching. I would recommend you to join this institute learn Oracle Fusion without hesitation.

## Ranganathan Siva

I have recently completed the Oracle Fusion SCM virtual training. The training was insightful. Krishna Sir explained the concepts very clearly and gave us real environment example to understand the flow of Oracle Cloud SCM process. Materials also very useful to explore more your self. I highly recommend this training to everyone and thank Krishna Sir.

## Ankur Saxena

Attended training for Fusion SCM led by Krishna and it was quite good. He explains concepts in details and resolve queries on the spot which is very helpful. I recommend him for any kind of Fusion related training.
